Please ensure you read all the information below as there is information relating specifically to all of these meetings.

Organisers:

The above Clubs will conduct a motorcycle race meeting under the permit numbers as described above.

Rules:

The meeting will be run under the Motorcycling New Zealand Inc. Manual of Motorcycle Sport and the following supplementary regulations.

Maximum Qualifying Time.

Clubs/Stewards reserve the right to relegate riders who do not meet a qualifying time factor of 115% back to the Clubman's support class. This may be used in fields over subscribed or for safety reasons.

There is no clubman's races at Hampton Downs so above will not apply and a partial entry fee may be refunded should the qualifying factor be applied.

Entries:

Entries will only be accepted on the prescribed entry form and accompanied by the appropriate fee. Any championship class that does not have the minimum entry requirement Rule 4-10-8 of 6 motorcycles will be stripped of Championship Status and relegated to a support class, possibly with reduced laps.

The closing date for entries is shown on each event entry form.

Late entries will be accepted up to 5.30pm on the Wednesday before the racing for that weekend. However a penalty fee of \$50 will be imposed on late entries and your name will not appear in the meeting programme.

Entry Fee:

See Entry Forms. Note all entry fees include GST

Sign On:

Sign on for competitors will be available the Friday of that weekend's unofficial practice.

Sign on for competitors will commence on the Saturday morning of that weekend's racing from 7.30am until 9.00am.

Remember to have your logbook filled out before you sign on.

There is no sign in on Sunday for competitors.

Gear Check:

Once you have signed on, proceed to the steward to have your helmet checked, gear will be checked on the dummy grid.

Gear check may be available Friday of that weekend's racing event

Machine examination:

Note page 1 of your licence log book.

As racing licenses carry a machine indemnity, machine checks will be conducted by officials before the meeting. Clubs to advise in acceptance of entry.

All machines crashed during practice or racing will be delivered to the designated parc ferme for examination by officials. After repairs are carried out, all crashed machines must be examined, **including** riding gear.

600cc and Pro Twin Sports Class's.

600cc Sports Production and 600cc Stock Production motorcycles and Pro Twin 650cc motorcycles to have the engines sealed, engine numbers will be recorded to that bike if in the unforeseen circumstances there is an engine fault and the bike is withdrawn and the engine is replaced.

The original engine must be presented to the stewards with the seal unbroken for scrutineering checks.

TYRES.

600cc Sports Production, 600cc Stock Production; one front tyre and two rear tyres will be allowed per championship round.

650 Pro Twin class, one front and one rear tyre allowed per championship round.

Championship round means races within that weekends event.

Briefing. This is a safety rule

Riders briefing will be held after Sign On the Saturday morning of that weekend's racing. Riders briefing may also be called on Sunday. **ATTENDANCE IS COMPULSORY BY ALL RIDERS. (A \$50.00 fine may be applied for non-attendance, the fine to go to the injured rider's fund). On the second occasion within the championship series the rider will be excluded from racing for that round. There will be a roll call!**

Grid positions:

The grid positions will be determined as per Rule 22-8-13a. Practice times will determine grid positions for the New Zealand Championship races, New Zealand GP, TT races and Support classes' races.

Note grid positions will remain the same for all three races.

A staggered grid will be used for the start of all races.

Pole 1st then two meters back for second qualifier with maximum of four bikes per row. Rows to duplicate backwards with 9 meters between rows.

Transponders:

- a) Do you own your AMB TX 260 transponder.
- b) If yes please write your 7-digit transponder pin number on entry form.
- c) A transponder hire cost is \$75.00 for the two days. See entry form.
It will be issued to you after gear check. Please make sure it is returned or collected at the end of racing on Sunday. (At the end of your last race) The rider is responsible for the transponder in their control. You will be charged for damage and or loss of a unit.
- d) The AMB TX260 may be purchased directly from www.mylap.com>> on line shop.

Start up:

Engines of competitor's machines must not be started before 9.00am and after the conclusion of rider's briefing. Or as directed by club officials.

Starting Procedure:

All machines are to be on the dummy grid prior to the completion of the previous race or as called by the Clerk of Course.

The track will be closed 30 seconds after the riders have started on their warm up laps.

If a competitor misses the start warm-up lap/s, they will start that pending race from the pit lane after the rest of the field has left the starting area. Lights will start all races unless circumstances arise outside of the organiser's control. In these circumstances races will start via **dropping** a stationary green flag.

Noise emission:

At all Race events as mentioned above all machines are to be effectively silenced so as not to exceed 95db(A) "ride by", measured by the official meter mounted 30 meters from the track centre line.

Machines registering readings in excess of this limit will be brought to the attention of the officials for action to be taken as follows.

Exceeding 95db(A) but not exceeding 98db(A): On the first offence during the meeting, the rider will be warned that this has occurred and instructed to rectify the situation. For the second and subsequent infringements, the machine/rider will be Black Flagged from the practice or race without further warning.

Exceeding 98db(A): The machine will be Black Flagged from the practice or race without warning. If circumstances do not allow the machine to be Black Flagged, the competitor will be excluded from the results of that practice or race.

Bike Race Numbers.

After the close of entries, the clubs will confirm bike race numbers, which will be notified in the letter of entry acceptance. Those holding MNZ road race numbers will take precedence over other riders Rule 22-8-6.

Numbers are to be Arial Black font for Pro Twin, 600SP and P Super Bikes, other class's refer class rule.
