

MOTORCYCLING NEW ZEALAND INC.
 P.O. BOX 253
 HUNTLY, N.Z.

Homologation for Sports Production

This form must be completed by motorcycle distributors applying to have individual motorcycle models homologated by Motorcycling New Zealand (MNZ), with respect to the Sports Production Regulations. Details furnished here must be for the standard road-going motorcycle as it is sold in New Zealand.

Each completed application form must be accompanied by an illustrated brochure of the machine for which homologation is sought, also a full set of technical specifications as detailed in the manufacturers service manual.
