

SUPERCROSS

*Raising the standard and profile on Supercross within
Motorcycling New Zealand.*

- The MNZ board have recently appointed Bryan Davidson and Neil Ritchie to raise the profile and professionalism of Supercross.
- There has been no coordinated approach for sometime.
- Mission statement – Raise the standard and profile of Supercross in NZ.

Supercross Plan

- Need a plan to improve Supercross.
- Create a Supercross season in summer.
- Must have good weather and to attract spectators (No. 1 source of money).
- Find a sponsor for the NZ champs.
- Set up training with the clubs and venues.
- Start a rider development program.
- Need to work with existing clubs to make a series.
- Encourage promoters to run Supercross.
- Need to make a warm environment for promoters to engage with MNZ.
- Want to encourage more clubs to run Supercross.
- Need set up regional, Island and National champs and Grand Prix.
- Work with Aussie promoters and get more expertise into Supercross.
- Create a short term and long term plan.
- Engage local expertise who have run / managed SX for brainstorming.
- Revise existing classes and capacities.
- Arrange championship for the first year.
- Get all parties focused on the same goal to kick start a new year. Great commitment from Daryl Hurley and Ben Townley.
- Catch phrase – Sky's the limit!
